**NO-SMOKING POLICY** - Hotel Napoleon is an entirely smoking-free facility and there are no indoor areas for smokers. Should the smoke detectors installed in every room and in the common areas be activated for a reason attributable to you, or if there is any trace (even though olfactory only) of smoke during your stay (in the room assigned to you as well as in the common areas), the Management reserves the right to charge you with a penalty equal to 200.00 Euros for cleaning and sanitation; except for compensation for greater damage. Without prejudice to the national and local provisions governing the smoking ban.

**PETS** - As anticipated at the time of booking, the supplement for a pet is 15.00 Euros per night, justified by a greater need for room cleaning and sanitation. Pets may never remain in the room unguarded and shall be entitled to access the common facilities (e.g., reception, breakfast room, etc.) only if properly kept on a leash. Guests shall be directly responsible for any damage or disturbance caused by their pet.
